

3. Grievance Chair

May 2018 Monthly Report

Remember that all grievances go through your building rep, to your building officer, then to me. Your building rep will meet with your principal at level one. If you are not happy with the results we can take it to level two if we think it has merit or hold it in abeyance to see if things improve. It takes a vote from the executive board to take a grievance to arbitration. It costs the REA about \$2500 for an arbitration.
