

6. Middle School Officer's Report

January 11, 2017

When any REA member wishes to seek relief by filing a grievance they should be aware that documentation will be required in order to proceed with such action. Verbal conversations are very difficult to verify, especially when another REA member or union representative is not present. If emails are being used as documentation, it is strongly suggested to print them.

Please remember to have a lesson plan every day and two skeleton plans available. Don't have a substitute or coverage come in to find no work for the class to do. Also, have an emergency lesson plan with worksheets with your team or secretary of the building.

Report all problems to your building representatives, so that they can forward them to me in a timely fashion, if they can't be handled in your building. If there is any reason you feel uncomfortable talking to your assigned rep, please feel free to contact me at: 610-914-9949 or karlcruchjr@gmail.com.

Section 30's- Remember, keep track of your coverages, if and when you are paid for them.

Respectfully submitted,

Karl Ruch ruchk@readingsd.org
