

Instructional and Professional Development

November 2018

Respectfully Submitted by Amy McMahon

Frontline Professional Growth:

Please continue to sign up for professional development sessions at least one day early on Frontline. This ensures that you will receive Act 48 credits. If you are not signed up online, you will not receive the credits.

Additionally, all courses must be marked completed in order to receive credits.

Act 48:

It is your responsibility to make sure that your Act 48 hours are up to date. You should periodically check your Act 48 hours using the following website: <https://www.perms.ed.state.pa.us/screens/wfpublicaccess.aspx>

Level 2 Certification:

Employees are responsible for applying for their Level 2 certification before 6 years of service. Level 2s take a long time to process, so make sure you apply early!

Visit the REA website for links to information about Level 2 certification. I can also assist you with any questions you may have.

In-Service Days:

Please let me know if you have any suggestions for professional development topics for future in-service days or if you have any

instructional concerns.

Feel free to contact me at
