

PSEA CRITICAL ALERT

Some lawmakers just won't stop attacking us and our rights to join a union and speak out on issues that matter for us and for our students.

Critical Alerts from PSEA...

- Sent to your home email address
- Contain important information on bills going to legislators
- The phone calls and emails DO make a difference
- Latest critical alert from September 23rd

PSEA PACE

"Stand up for your students, your profession, and the secure retirement you earned"

PACE contributions support candidates from either party in state and local elections who are pro public education. All voluntary contributions are voluntary.
