

President's Report- November 2018

president@readingea.com

610-374-7101

"When given the choice between being right or kind, choose kind." Wayne W. Dryer

- **Member Information:** Please make sure you are updating both the district and REA if you have name changes, address changes, or phone number changes. You can find the form on the REA website to update the district. If you log on to your PSEA account, you can update the information for us there.
- **Direct Dues:** We are consistently sitting at 22 people. This number goes up and down depending on new hires, resignations, or Janus drops. Please remember that by not signing up, it does not mean you are no longer part of the Association. You must notify PSEA and REA in writing if you wish to drop your membership. Otherwise, you **MUST** sign up for Direct Dues. We have had our first withdraw and charge depending on the option you chose. Overall, there were very minor "hiccups." If you experienced any issues, please let me know.
- **Website:** As a reminder, please REGISTER for the Members Only section of the website. I must go through and verify each email address, so please give a 24 hr turn around after your register. If you have any questions with the process, please email me directly.
- **Negotiations:** Updates will be posted in the Members Only section of the website. We are still looking for members to volunteer on one of the sub committees. We will most likely be looking at starting those up once negotiations have begun. The Negotiations Committee and Table Team were able to attend a valuable training in Hershey on the 19th and 20th of October. There were many things brought back that we are hoping to implement.
