Lesson Plans: You are required to have 1 full lesson plan and two skeletal plans if requested by administration.

Cell phones and IDs: I have copies of the cell phone policy in my room if you would like one.

Parking: It seems that parking is going to be an issue all year. I will continue to push him monthly on the issue. Students should not be parking in staff lots. If you are parking in the south drive and see cars without tags, count them and send me a number.

Building meetings: Reps will be taking over building meetings, you should hear from James Wright soon about a building meeting.

Section 30s: Make sure you have been compensated for all of your section 30s within 2 pays. Keep track of when you are called.

Communication with administrators: If you are asked to write a statement about an incident, run your statement (excluding names) by a rep. Do not admit to anything without first discussing the incident with a rep. You have the right to invoke your Weingarten Rights at any time.

Student discipline: If you feel a consequence does not fit into the board discipline policy, we can always appeal the consequence and ask for a reconsideration..

Building conditions: If you have any room concerns mold, mice, crumbling walls, temperature: provide me with a statement which includes room#, problem that needs to be addressed, have you contacted maintenance, how long since you reported the problem.

Policing members: You are not an administrator, you should not be policing other members or telling them what to do. If you have an issue with a fellow bargaining unit member, see me first.

Have a wonderful November
