TWO KEY ISSUES TO BE AWARE OF.. VOUCHERS and PAY ROLL DEDUCTION

Tell state senators to oppose new voucher scheme

The state Senate Education Committee voted on a tuition voucher bill that will siphon money from our public schools. We've known that vouchers are a bad idea for decades, but some lawmakers still haven't gotten the message. Contact your state senator today and urge him or her to oppose this voucher scheme.

Don't let PA lawmakers silence the voices of ordinary Pennsylvanians

Some state lawmakers are focused on taking away the rights of PSEA members and other public-sector employees to choose to have political action committee contributions or union dues deducted from their paychecks. This is part of a strategy to silence our voices, bully our members, and weaken our Association. Send a message to your state representative to oppose these measures.
