

REA Health and Safety Report

December 2018

- If you report a health and safety issue to me, please, indicate that you talked to administration, if possible give names and dates. Also, having a timeline helps. I need as many facts as possible to find assistance. The first question I get is has it been reported and to whom.
- The procedure for reporting building issues is to notify the custodian, he/she talks with principal e-mail works for communication. If it is deemed necessary a work order will be issued.
- New cleaning products are available for custodians and can be requested to be used on surfaces that may need stronger cleaning due to moisture.
- A cleaner should be given to all teachers so that students can clean desks after breakfast in the classroom.
- It seems that all concerns are being addressed or in the process of being addressed.
- Remember some services require preauthorization for Capital Blue. Please, read all information you received in the mail.
- Please, remember births and marriages must be reported promptly. Failure to do so could result in denial of benefits. Remember, if any employee gets married, the spouse must purchase coverage from their employer if it is offered.
- Also, remember to hand in your physical reimbursement form to save money. Submit the form to Denise Templin at the Benefits Office.
- If you have any questions or concerns please contact me or the REA office.
- Next meetings will be December 4, 2018 and January 29, 2018.

Respectfully Submitted,

Judy Treichler
