

REA Membership Report December 2018

Denise Solecki

Assistant Treasurer/Membership

As this year winds down I would like to take this opportunity to thank the Reps for keeping the new teachers in your building informed and giving them the necessary material to join our union. Many new potential members being hired in this coming year so be on the lookout from me a new teacher packet.

- ❖ Keep in mind if you drop your membership, you lose out on all your benefits. Upon rejoining the association, you would have to wait one full year for legal services, liability insurance, etc.

Remember when you move, change your phone number, or change your marital status you need to send those changes to the Human Relations office at the Ad building. That information is then relayed to the REA office and updated for our records. Accurate information results in receiving your REA and PSEA materials in a timely manner. Or better yet just update them yourself by going on to the PSEA web site.

Eat, drink, and be Merry.

Respectfully submitted,
Denise Solecki
