Lesson Plans: You are required to have 1 full lesson plan and two skeletal plans if requested by administration.

Policing members: You are not an administrator, you should not be policing other members or telling them what to do. If you have an issue with a fellow bargaining unit member, see me first.

If anything anecdotal is put in PAETEP contact a rep to discuss your options.

Weekly Bulletin: Please read the bulletin fully, there have been teachers who have missed a walk through or meetings with coaches because they failed to see the schedule at the end.

Parking: Students continue to park in teacher spaces, feel free to report the license plate # and email it to security.

Section 30s: Make sure you have been compensated for all of your section 30s within 2 pays. Keep track of when you are called. If you feel you are being called more often than others let me know the period and exact days. Also subs should be used first, if you are covering, and a sub is getting a prep this is not acceptable.

Student discipline: If you feel a consequence does not fit into the board discipline policy, we can always appeal the consequence and ask for a reconsideration. Do not email complaints to other staff members

If you intend to run to become a union rep or officer please adhere to the timelines and submit your paperwork. I would love to see more high school REA members involved.
