Welcome back to another exciting school year. I know we have faced some hardships over the past month or so, but we have overcome and showed up day 1 for our students. We are the dedicated force that works together fighting for the best for our students. Over the next few months, we have to put aside emotion and fight for what we deserve. It will require dedication, commitment, and resolve, but together we will earn the contract we deserve as hardworking, educated professionals.

The remind app will be the preferred method of communication myself and the reps will use to get information out quickly. If you haven't signed up, please do so.

Lesson Plans: You are required to have 1 full lesson plan and two skeletal plans if requested by administration.

Building meetings: After the September building meeting, Reps will be taking over building meetings, you should hear from a rep soon about a building meeting in October.

Section 30s: Make sure you have been compensated for all of your section 30s within 2 pays. Keep track of when you are called.

Communication with administrators: You have the right to know the reason for and request a rep be present anytime an administrator wants to talk to you. Don't go at it alone, no matter how routine you think the conversation is.

Student discipline: You have a right to know what discipline was given to a student, if you feel a consequence does not fit into the board discipline policy, we can always appeal the consequence and ask for a reconsideration.

Building conditions: If you have any room concerns mold, mice, crumbling walls, temperature: provide me with a statement which includes room#, problem that needs to be addressed, have you contacted maintenance, how long since you reported the problem.

Policing members: You are not an administrator, you should not be policing other members or telling them what to do. If you have an issue with a fellow bargaining unit member, see me first.
