

- **REA Membership Report**
- **November 2019**
- Denise Solecki, Admin building
Assistant Treasurer
(Membership Chair)

Please help keep me updated.

Be sure to let me know of any changes. Remember when you move, change your phone number, or change your marital status you need to send those changes to the Human Relations office at the Ad building. That information is then relayed to me so I can keep our records through PSEA updated and accurate. Accurate information results in receiving your REA and PSEA materials in a timely manner.

Currently we have 1122 members to date. It's never too late to get nonmembers in your building to join. A friendly reminder might be all it takes to get them to join.

Respectfully submitted
Denise Solecki
