- **Website:** Remember, this will be where the most up to date information is posted. **Please do NOT use your RSD email** to register for the "Members Only." Also, please allow 24 hrs from the time you register to be able to have access. If more than 24 hrs has passed and you are not able to log in, please send an email to president@readingea.com.
- **Newly Ratified Contract:** I have been in contact several times with the district to provide a finalized copy for signatures. We are working with Central administration on the implementation of the split class language. As soon as a signed contract is available, you will receive it.
- **Lesson Plan Committee:** A committee shall be formed to meet with Central Administration for the implementation of the new lesson plan policy. If you would like to be a part of that committee, please email me NO later than December 21st. Remember, the new policy does not go in to effect until the 20-21 school year.
- **Clearances:** Please be cognizant of when your clearances are due. This is your responsibility. PSEA predicts there will be a back log due to the amount of educators up for renewal. Do NOT wait till the last minute!
- **Monday Messages:** This is where you will receive the most up to date communication from me. Please log on to your PSEA account to make sure your email is up to date.
- **Direct Dues:** Direct Dues withdraws have begun. IF there is an issue with a withdraw, PSEA and I will reach out to you to correct the information. Please know I am here to help and make this process as easy as possible on you. You can always access your Direct Dues account by visiting www.psea.org/directdues
- **Email:** If you send an email to president@readingea.com and do not receive a response within 48 hrs, please check your junk/spam box. Unfortunately, many of my email responses end up there.

Have a wonderful Winter
