We will continue to address building security at every SAC meeting until something is done. Jessica Steffy will be running building meetings from now on. If there is anything you would like on the agenda send her an email.

The remind app will be the preferred method of communication, myself and the reps will use it to get information out quickly. If you haven't signed up, please do so.

Lesson Plans: You are required to have 1 full lesson plan and two skeletal plans if requested by administration for the remainder of this school year. The new lesson plan policy does not go into effect until next year.

Building meetings: 2nd Tuesday of each month in room 424

NEVER GO TO A MEETING WITH AN ADMINISTRATOR WITHOUT A REP!!!!

Student discipline: You have a right to know what discipline was given to a student, if you feel a consequence does not fit into the board discipline policy, we can always appeal the consequence and ask for a reconsideration. The new student code of conduct has been uploaded to the RSD website under "our district".

Student Attendance: We have been meeting with building administration to address the attendance issues (changing attendance in the computer) and working on creating an attendance procedure to be followed by both admin and staff. **Remember you are responsible for inputting attendance every single period. (Domain 4 professional responsibilities)**

Student Grades: Grades must be updated on a weekly basis in eschool plus. There is discussion about making classes have uniform grading with respect to assignments, tests, projects being the same. Please bring me any concerns you have; I would like to address them with Mr. Turman.

Policing members: You are not an administrator, you should not be policing other members or telling them what to do. If you have an issue with a fellow bargaining unit member, see me first.
