

# REA Special Services Report January 2021

Happy New Year! I hope that everyone had a relaxing break.

## **Failure Prevention Guidelines:**

A plan has been created by RSD in order to help our students to be successful. It applies to all students who are in danger of failing. Your building administrator should have gone over the plan with you at the PD on 1/4/21. Follow your building plan.

There is a plan for regular education students, ELs and IEP students. A lot of collaboration and documentation is involved in this process. Staying in contact with parents is important so that there are no surprises when report cards come out. Documenting all communication with the team, which includes the parent is important.

## **PASA DLM Test:**

Administration training: October 12-Feb 19 (time should be given by your principal for this training)

Test Window: March 8-May 7

Contact your PC for direction on planning for testing.

<https://www.education.pa.gov/Documents/K-12/Special%20Education/Assessment/PASA%20Getting%20Ready%202020-21.pdf>

## **WIDA Test:**

**Test Window:** January 4 – March 19 (PDE)

Some Assistant principals will be assisting with testing and will not be available to participate as an LEA for IEP meetings. Please plan accordingly.

\*Dates are subject to change if there are significant schedule impacts to state's 2020-2021 testing schedules due to COVID-19 that could impact the overall consortium timelines.

\*\*Districts are not responsible for testing ELs who enroll after January 25th.

**PSEA Special Ed Conference:** March 5<sup>th</sup> & 6<sup>th</sup>

ASHA credits will be given to SLPs at the conference. More info to come.

Respectfully submitted,

Chrissie Stauffer
