

Middle School East

March 2022

Respectfully submitted by Shanalyn Eckenrod

Thank you, everyone who voted in the middle school officer election on February 15th. I am humbled by the amount of people who support me as I move into this new position in the REA. I'm working diligently to get caught up on all the details what is happening at Northeast and Central Middle Schools, as well as the REA as a whole. I will be meeting with the building reps at Central and Northeast in the near future, as well as attending future building REA meetings.

For additional middle school information for this month, please see the Middle School West report submitted by Joe Okonski.
