- ◆ **Benefits of Membership:** I know in the recent months members have questioned what really is the benefit to belonging. I can include the PSEA created document or list the deals and discounts you receive but it is honestly so much more than that. Belonging provides you a platform to have your voice heard as well as an insurance policy IN CASE something would happen, hoping that it never does. I started my journey through REA because I saw things that were not right in my working environment and instead of sitting around and complaining I rose my hand and acted. I encourage you to take advantage of any and all opportunities to get involved and educate yourself.
- ◆ **Split Class pay:** Please remember split class pay is for ALL levels. You need to make sure you fill out the paperwork and submit it to your secretary within 48 hrs of your split.
- ◆ **Chain of Command:** Please contact your building level reps first and foremost. It is imperative that they are aware of questions or concerns in their building. If need be, they will elevate those questions/concerns to the level officer, VP, or myself.
