

SAC REPORT

March 2022

After much discussion with Administration, the next SAC meeting will be held on April 20th, 2022 at 4:30 p.m. with a hard stop at 5:30 p.m. As typical of this time of year, it becomes very difficult to remain on our current meeting schedule. Therefore, we needed to move our next meeting to the third week of April.

With the meeting change, please have all agenda items sent to me by April 8th. I will create the agenda and forward it for Executive Board review. The agenda will be distributed to the Central Administration on April 13th.

The February minutes are attached.

In solidarity,

Desiree Wagner
SAC Chair
