Reminders:

Thank you to Becky Alexander and Cindy Roberts who have stepped up to serve as reps at Lauer's Park for this coming year and to Patty Swartz and Michelle Metz who served previously.

Please remind members to continue to check the Monday Messages over the summer and to watch for any future communication or surveys concerning contract negotiations.

Please remind members to make sure they have completed their requirements for SPM's and Differentiated Observations. As always, if an unsatisfactory observation rating is given, or feedback in PAETEP that doesn't seem right, members should contact building reps immediately.

Reminder- Clearances must be kept up to date. Summer is a good time to check and renew these as needed.

Please remind teachers who are completing the requirements for their level II certification this year to finish the application process. The requirements and level II application are posted on <https://www.readingea.com/resources/> if needed.
