

NTPE Officer Report

October 2022

A list of all NTPE members and non-members has been provided by the REA Membership Officer. We have approximately 94 NTPE members and approximately 23 non-members. Due to new hires and resignations this list continues to be updated. Please let me know if you have any new hires in your building that you would like me to speak to specifically about the union.

Early bird negotiations continue. I am the only NTPE member on this committee though more members would have been selected had they volunteered. The negotiations committee met twice in September and most likely will be meeting several times in October. As long as no other meeting is scheduled for **Wednesday, October 12, 2022** I plan on holding a large virtual group meeting with all NTPE members. The meeting will begin at 4:20pm. An invitation will be sent out within the next few days. Smaller group meetings will hopefully be held in November. Please encourage all NTPE members to attend.

Update on SCUTA – overall the feedback has been relatively positive. If anyone gets called in by administration in which SCUTA is being used as a disciplinary action, please contact us immediately.

Respectfully submitted,

Jennifer L Oakes
