

## NTPE Officer Report

December 2022

NTPE virtual meetings were held on 11/15, 11/16, and 11/17. A total of 27 members were in attendance between all 3 meetings. The 11/15 and 11/16 meetings were recorded as Rebecca Titus was present at these meetings. Approximately 15 people requested the recordings and should have received the recording in their personal email. The agenda for the meetings included negotiations, misappropriation of funds with REA, future terms of REA positions/officers, documentation, and salary concerns.

Smaller virtual meetings will not be scheduled in December, however meetings will be held in January to discuss specifics with individual groups. Please encourage all NTPE members to attend.

Again, please note that though NTPE members are on the same contract as the teachers, there are numerous differences in our job responsibilities. The REA created the NTPE Executive Officer position to help communicate the needs and concerns of NTPE members. Many of you have already done so, but please contact me when an issue arises.

I will be off on personal days the week of December 19<sup>th</sup>. In case of an emergency you can still contact me on my personal cell number. Otherwise, please contact your building rep or executive officer responsible for your level.

I hope that you all have a beautiful, amazing, and happy holiday! Enjoy your families and friends!

Respectfully submitted,

Jennifer L Oakes
