

Membership report
January 1, 2023

- Current REA membership = 1,087 members
- All new teachers receive an invitation email from me during their 1st week in RSD which provides information about joining our union. Updated membership lists are on the way to building reps. Thank you for your collaboration in this endeavor!
- Only members in good standing can vote. With contract negotiations in process and REA elections coming up in the spring, now is a good time to check membership status and encourage teachers to join. As you receive your updated membership list, if a teacher is not listed, they are either non-members and cannot vote, or they are itinerant members and your school is not their home building. Please contact me if you need verification and I can look up their status.
- As always, encourage new teachers to join. If a new teacher cannot find the invitation email or didn't get one (perhaps a veteran teacher who wants to join), feel free to contact me or have them contact me. You can also just share the links below which provide instructions for enrolling in PSEA and enrolling in direct dues. (Both enrollments must be completed for approval). I receive an automatic email alert EVERY TIME a new member enrolls.
