

# MIDDLE SCHOOL REPORT

Jan 2023

## New Business

Happy New Year!

This is the time of year when we start to see the infrastructure begin to fail in our buildings. If you are having any problems with your heat in your classroom, please start by contacting your head custodian and building admin. If you have not received an update in 5 school days, please contact Judy Treichler and your level officer so we can do everything we can to get it fixed.

## Reminders

- 1) When contacting an officer, please make sure you have all the information about the situation. We are always available to discuss the situation with you. Please having all the facts so that we can best help with the plan of action.
- 2) Please remember that reps should be holding at least one building meeting per month. Also, please attempt to hold one monthly meeting with your building administration to address building concerns.
- 3) It is the expectation of the association that building reps are sharing situational information that is happening to our members.
- 4) Sharing building situations and outcomes from rep to rep is not in violation of HIPPA. It is understood that reps will not pass on information to other members unless they are directly involved.
- 5) Please remember that members can request specific representation, but administration DOES NOT have to grant that request.
