

Membership report

March 6, 2023

- Current REA membership = 1,104 members
- All new teachers receive an invitation email from me during their 1st week in RSD which provides information about joining our union.
- ***Only members in good standing can vote.*** With contract negotiations in process and REA elections coming up in the spring, now is a good time to check membership status and encourage teachers to join. Please contact me if you need verification and I can look up their status.
 - ALL non-members will be invited to join one more time before the scheduled vote takes place.
 - Updated membership lists will go out to all reps before the scheduled vote.
- As always, encourage new teachers to join. You can share the links below or direct them to my invitation email. Both provide instructions for enrolling in PSEA and enrolling in direct dues. (Both portions must be completed for approval). I receive an automatic email alert EVERY TIME a new member enrolls.
