

NTPE Officer Report

March 2023

National School Social Work Week is this week – March 5 – 11th! Remember to thank your School Social Worker! School Social Workers as well as all NTPE employees are an integral part of the Reading School District!

Unless I hear from the NTPE members that a small NTPE meeting needs to take place for the month of March, I will not be holding a meeting. Please plan to attend the General Membership meeting being held in the RHS auditorium on March 20, 2023 (time will be posted soon). The Tentative Contract Agreement will be presented in its entirety to the membership. Voting will then be held on March 22, 2023. Please make certain your presence at both the meeting and voting is seen and heard.

Again, as noted in Monday's Message (2/6/23) from the REA President regarding NTPE Evaluations: NTPE members can now find the framework (s) for your evaluation located on the REA website under "Resources". You are strongly encouraged to look at this when completing any rubric or questionnaire while completing your observation. They are specific to School Psychologists, School Social Workers, Home and School Visitors, School Counselors, Speech and Language Pathologists, and School Health Specialists (School Nurse and Dental Hygienists).

Elections will be coming up for the REA Officer positions, please remember to complete your "Intent to Run" form if interested. "Intent to run" forms are due by March 31, 2023.

Please continue to reach out to me at my contact information below.

Respectfully submitted,

Jennifer L Oakes
