

President's Report – May 2023

president@readingea.com

610-374-7101

*"When given the choice between right and kind, choose kind."
Wayne W. Dryer*

With this being my last official report, I want to take a moment to thank the membership. It has been a crazy last 6 years with 2 contract negotiations, a pandemic, and the ups and downs of working in an urban district. Even though my time is ending as President, it will not be the end of me singing the praises of the amazing educators in the Reading School District! You are a dedicated group of individuals that care, enrich, and educate your students. It has been my honor to serve you over the years and I wish the best to the new board.
