RHS Report

Brian Benkert

Email: Benkertb@yahoo.com

Cell (anytime): 484-459-0112

Main Campus:

The monthly Building Meeting will be on 5/11 at 3:00 in the LGI Room. We will hold them in-person and, concurrently, virtually. If you are participating in the meeting virtually, please only listen if you are driving.

Mr. Alvarado created a Remind that is supposed to be used as a secondary communication during emergencies. You may add this to your personal device to help in situations where you might be out of the building or the intercom cannot be used. You are not required to add this if you don't want to. The code is:@35eac37

Please review the safety guidelines that were put out by staff on Sunday 4/30. Any questions please reach out to a rep.

Voting for REA positions will take place Thursday 5/4 at both 7am and 3pm in front of the auditorium. If there are any questions about where or when please reach out to a rep.

Safety is a continued concern. If you are experiencing unsafe conditions, please email an administrator. If it is something that is happening on camera, be sure to CC the camera room so it can be found on video. The more members that do this will help to show the current conditions of our building and create a paper trail. Feel free to CC me also on any communication so that a record can be kept. **Major issues call the all call number.**

RKAA:

Voting for REA positions will take place on 5/4 before and after school. Please reach out to you reps for specific times and locations

Building meetings: City line 5/8 @ 4:20 Thomas Ford 5/9 @4:20

Respectfully Submitted: Brian Benkert
